KIM PIOTROWSKI Barneys Art Installation

Through September

Passing by the display windows at Barneys can be just like perusing the pieces at a chic NY gallery. Be sure to swing by the luxe retailer through September, where you can see creations by one of Splendoro's favorite artists, Kim Piotrowski on floors 9 (near Fred's restaurant) and 7 (above the Theory collection). It's the perfect way to kick off fall's most exciting happening: Fashion Week 2006!
